Ocean Freedom

Guest Accessibility & Tour Suitability Guide

Helping every guest choose the right Great Barrier Reef experience

THE UNIQUE OCEAN FREEDOM ECO EXPERIENCE

Ocean Freedom experience

A premium small group Outer Great Barrier Reef adventure visiting two distinctly different reef locations with an impressive six hours of reef time. Combining comfort, adventure and outstanding personalised service, Ocean Freedom offers snorkelling, diving and guided reef experiences designed to maximise time in the water while creating unforgettable memories for guests from experienced to first time snorkellers and divers. Explore “Wonder Wall” on the Outer Edge Upolu Reef and “Aquarium” at Upolu Cay Reef. Lots of in-water activities and no rush in the day. Simply Superb!

Guest Accessibility & Tour Suitability Guide

Quick suitability, mobility and support reference

MOBILITY / ACCESSIBILITY / SUITABILITY

Ocean Freedom tour is suitable for

- Youth
- Families with older children
- Younger mobile children who are comfortable on a boat all day
- Multigenerational families, subject to good mobility and stability
- Couples
- Friend groups
- Solo travellers

Suitable for guests who can

- Walk independently on a moving vessel
- Have good stability
- Use handrails and stairs/ladders
- Transfer to a tender where required
- Enter and exit the water using a ladder
- Enjoy a full day on a boat on the reef
- Be happy onboard a vessel all day

Suitable for guests who like

- To be at one with the sea
- An unrushed six hours of reef adventure
- A relaxed lunch while not compromising in-water time
- Snorkelling on private reef sites straight off the boat
- The chance to share the day with family and partners while still having flexibility for different activities
- A full outdoor family reef experience

Ocean Freedom is not suitable for

- Wheelchairs, pushchairs or strollers
- Guests who cannot comfortably manage stairs or ladders
- Guests who require continuous personal care
- Guests with significant balance or mobility concerns
- Guests with a medical condition that may be affected by snorkelling or diving or need to be close to emergency facilities
- Guests in late pregnancy - as with any moderate adventure; please enquire as medical clearance may be required

FAMILIES, SUPPORT AND MEDICAL NOTES

Families

Best suited to older children, or younger mobile children who are comfortable on a boat all day. All children must remain supervised by an adult at all times on the vessel and in the water. Crew will of course gladly assist parents during in-water activities.

Hearing, vision & cognitive support

Guests requiring assistance need to travel with an accompanying family member or friend and must contact us before booking. The safety and comfort of all guests is of utmost importance to us, and we will give honest and practical advice.

Medical conditions

For medical conditions, please enquire before booking. This is especially important for conditions that may affect mobility, stability, breathing, heart health, snorkelling or diving, or where guests may need to be close to emergency facilities.

Everyone's needs can be subtly different.

Please contact our friendly team before booking if you are unsure, so we can help choose the most suitable Great Barrier Reef experience.
